

BITE & STING TREATMENT TIPS

Make a paste of baking soda and water; apply several times a day to affected area.

Use a cotton ball to apply Milk of Magnesia several times a day.

Aloe is as good for pets as it is for people.

Hydrocortisone cream can be applied several times a day to control itchy and irritated areas.

Put your dog in a colloidal oatmeal (Aveeno) bath. Wrap 1 package of oatmeal in a cheesecloth bag or a sock and attach it to the faucet or let it soak in the tub. Immerse your dog or the affected areas as much as possible; try to soak for at least 10 -15 minutes.

Preventative tip: use Avon's Skin-so-soft as a bug repellent. Dilute ¼ capful of Skin-so-soft in a quart of water. Spritz as needed. Skin-so-soft is very oily/greasy, do not use full strength!

Please remember to avoid using insect repellent that contains DEET in it.
