

BIO Information Cheat Sheet

All bios should include this information. If it is unknown, we can simply say that it is unknown.

- Housetrained in the foster home?— make sure to add there might be accidents in the transition to the adoptive home.
- Crate trained
- Leash Trained
- Good with kids (ages exposed to)
- Good with Cats
- Good with dogs (sizes?)
- Needs another dog in the home or needs to be an only dog
- Needs a yard or okay for an apartment
- Exercise requirements (as specific as possible)
- Is the dog/puppy spayed/neutered or will there be a spay deposit collected?

Please include this beginning and ending paragraph for all dogs:

My name is _____. I am available for adoption through Colorado Canine Rescue (CCR), a nonprofit dog rescue located in the Denver area. I came to CCR from _____. There is very little history on me. CCR has been told I am a _____ breed mix, but that is just a guess made by shelter staff, rescue volunteers, and our veterinarians.

BIO Info

If you are interested in adopting _____, please submit an adoption application located on our website, www.coloradocaninerescue.org. We are asking for a \$_____ adoption donation for _____. Please note, CCR cannot guarantee the breed composition or ages of our dogs as we usually have no history prior to them entering the shelter.

If it is a family/litter, you can use this edit:

My name is _____. I am available for adoption through Colorado Canine Rescue (CCR), a nonprofit dog rescue located in the Denver area. I came to CCR from _____ with my mom and siblings. There is very little history on us. CCR has been told my mom is a _____, but that is just a guess. My dad is a complete mystery and could be any breed or mix of breeds. My estimated date of birth is _____.

If you are interested in adopting _____, please submit an adoption application located on our website, www.coloradocaninerescue.org. We are asking for a \$_____ adoption donation

for _____. Please note, CCR cannot guarantee the breed composition or ages of our dogs as we usually have no history prior to them entering the shelter.

For puppies that are not altered prior to adoption, you can use this ending template:

If you are interested in adopting _____, please submit an adoption application located on our website, www.coloradocaninerescue.org. We are asking for an adoption donation of \$225 as well as \$50 for the spay/neuter deposit for _____. Per Colorado State law, the \$50 deposit will be refunded once we have received documentation that the spay/neuter was completed within 90 days post adoption. Please note, CCR cannot guarantee the breed composition or ages of our dogs as we usually have no history prior to them entering the shelter.
